

Activity

Tell me about yourself:- My name is Dulen Damsana and I am currently an undergraduate at SLIIT CITY UNI, where I am pursuing a degree in Software Engineering.

What are your strengths:- My key strengths ~~include~~ include strong problem-solving skills, attention to detail, and the ability to work well in a team environment.

And also I am capable with multiple programming languages, adaptability to new technologies and strong project management skills.

What are your weaknesses:- Sometimes I ~~am~~ find it challenging to speak in a crowded audience but eventually I could be able to manage that.
